Fregate Island

Upgrading construction Work

The upgrading work will start with the 2bedroom villas and the Spa Villa and will be over by mid December 2008.

All guest will be allocated as far away as possible from the upgrading work even if only three villa will be upgrade and therefore the impact will be small and the biggest part of the island will not be affected.

Fire Fighting

A fire fighting training was organized for all the staff of Mason's Travel, for 2 days from 28th to 30th July 2008. It was conducted by two firemen from the Fire Department. The purpose of the training was to enlighten our doubts and broaden our knowledge pertaining to safety in our work environment and also to give us the guideline what to do in case of any fire.

Stress Management Session

To commemorate the 2008 African Traditional Medicine Day, the association of Promoters of Complementary Health Care in Seychelles (APOCHIS) requested the company of our Masons Travel staffs for a series of presentations. They were based on the theme "Stress Avoidance and Management". Mason's staff from different departments attended. The participants were from both the governmental and private sector.
